

# Essential Skills for Scrum Success Workshop

Establish and improve your Scrum practices

Joe's latest agile resources:

**Offered by: Joe Schofield**  
Authorized Training Partner and Scrum Certified Trainer (SCT™)

**Overview:** Attendees receive a copy of all the slides and exercises. This workshop

- introduces Scrum candidates, teams, customers, and managers to Scrum fundamentals
- prepares participants to contribute on Scrum-based teams
- simulates Iteration 0 planning, sprint planning, execution, demo, and retrospective

## Objectives:

- Prepare teams, leadership, and business partners to make informed choices for using Scrum
- Explore beliefs and attitudes about Scrum
- Review benefits, risks, and roles for Scrum (Scrum Master, Development Team, Product Owner)
- Identify options for supplementing Scrum with other agile approaches; product build and testing
- Enable participants to conduct Scrum planning events, reviews, and retrospectives
- Understand how to develop personas, epics, stories, tasks
- Build unity in practice and improvement for Scrum
